

# Dash

## Digital Cash

### Global money

No banks, No governments

### Just like cash

No chargebacks, ever

### Unstoppable

Instantly pay who you want  
and when you want in 1.3 seconds

### Tamper Proof

An unchangeable record of agreement. All transfers  
are recorded on the dash blockchain permanently

### Freedom

A complete financial system outside  
of the financial system

### Innovative

Blockchain technology, grounded in mathematics  
and economics
